

2022 North American Invitational 4-H Dairy Quiz Bowl Celebrating our 43rd Contest Year

November 4-5, 2022

The contest coordinators would like to invite a dairy team from your state to participate in this year's North American Invitational 4-H Dairy Quiz Bowl Contest and/or Educational Experience Scenario. Dairy quiz bowl and dairy educational experience programs are an excellent teaching tool as well as an opportunity for competition, which encourages young men and women to prepare for an in-depth learning experience that benefits them greatly in their future studies and life-long learning skills.

We hope that a team from your state can participate in the fun and educational opportunities in 2022. If you are not responsible for the 4-H dairy educational activities, **please forward** this email to the appropriate person or contact.

For 2022, we are again offering youth two separate learning opportunities.

Our educational goals are to provide youth with the opportunity to learn about the dairy industry and the science behind management practices while they develop life skills.

These two learning opportunities for 2022 are:

- 1.) Traditional in-person North American 4-H Dairy Quiz Bowl Contest in Louisville KY on November 4-5.
- 2.) North American 4-H Dairy Educational Experience Scenario- **one** practical, farm-based scenario related to the hypothetical herd's reproductive program to occur from October 7-17, 2022. Up to 2 teams will be allowed per state. This is a great opportunity for youth to learn more about the dairy industry and "study".

States may choose to register "a team" for either option or both. Team members can be identical or different between these two options as long as they meet eligibility rules for the registered contest.

To register for either or both options, the team must be registered through Eventbrite AND a completed Verification Form signed by both the State Dairy Leader and 4-H Program Leader **FOR EACH OPTION**.

Educational programs of Kentucky Cooperative Extension serve all people regardless of race, color, age, sex, religion, disability, or national origin. University of Kentucky, Kentucky State University, U.S. Department of Agriculture and Kentucky Counties, Cooperating. Disabilities accommodated with prior notification.

Please note that your state's entry and payment for Dairy Quiz Bowl and/or North American 4-H Dairy Educational Experience Scenario must be made separately through Eventbrite by September 21st at 5 PM EDT. No entries for North American 4-H Dairy Educational Experience will be accepted after this deadline. Dairy Quiz Bowl entries are due September 21st at 5 PM EDT with entries up until October 7th at 5 PM EDT accepted with additional late fees applied.

Links to the rules, registration website (Eventbrite), verification form to be signed by both your state dairy contact and 4-H State Program Leader, schedule, and hotel registration information can be found at the following web site: <https://afs.ca.uky.edu/dairy/north-american-dairy-quiz-bowl>. Please note entry materials and rules are separate for each the North American 4-H Dairy Educational Experience Scenario and the Dairy Quiz Bowl.

Watch for updates on the website above after registration deadline. Any updated information will be posted there.

PLEASE NOTE:

- Registration process for both options is only through Eventbrite. NO other forms of entry will be accepted.
- Registration for in-person Dairy Quiz Bowl is separate from registration for the North American 4-H Dairy Educational Experience Scenario.
- Verification form signed by both the state dairy leader and state 4-H leader must be completed, signed, and emailed from the state dairy leader's email account to Robin Notton for participation in the Quiz Bowl or Scenario. A separate verification form is needed for participation in Quiz Bowl and Scenario.
- Again, this year a block of hotel rooms is being reserved. Reservation information will be available in the near future. Once secured, the hotel link on the website will provide hotel information.
- This year, the North American 4-H Dairy Quiz Bowl contest written test will start at 5 PM Eastern – 1.5 hours earlier than previous years.

Additional information for North American 4-H Dairy Quiz Bowl:

1. If you fly into Louisville, you will need to rent a car for transportation to and from the Expo Center.
2. Teams can submit 10 questions and answers by September 21st to Dr. Jill Davidson at jill_davidson@diamondev.com. Please do not submit true/false or multiple-choice questions. Questions are always included from each state's submissions for inclusion in the current year's contest. Do not submit questions you have submitted in previous years.
3. After we receive your team's registration, additional details will be sent electronically to the designated team coaches and state contacts in mid to late October.
4. In addition to the written test on Friday evening and matches on Saturday, this youth event includes an interactive pizza party after the written test Friday evening and a banquet on Saturday night. **We ask that all teams participate in all of these events.**
5. Fees for up to 4 team members plus one coach for the pizza party, Saturday lunch and Saturday banquet are included in the registration fees. Tickets included in the team registration are non-transferable. If you require extra tickets for these events (other than the pizza party for youth participants), please order on-line through the Eventbrite site.
6. The final rounds of the contest are held starting at approximately 2 PM. We ask that all teams participating in the contest be present for the final rounds to support and round out this learning experience.
7. Questions this year will come from the sources as stated in the rules. Each year a topic area is selected for the youth to concentrate their study efforts. Additional resources are listed to help youth better understand the selected topic area.

In 2022, the topic area of emphasis will center on dairy reproduction. Links to a beginning list of reference materials will be available shortly on this contest's [website](#). Please note that additional questions will come from the practical scenario that is part of the North American Dairy Educational Event.

Thank you for your assistance. If you need more information or any clarification, please let me know.
